Knowledge Sharing Schools Application Form

Please complete this form and return it to dataschools@ed.ac.uk by Friday 6th March 2020. If you have any questions or queries, please contact the team at the same email address or visit https://www.de.ed.ac.uk/project/knowledge-sharing-schools

SECTION 1: About Your School

School Name:	
Address:	
Contact Email:	
Contact Tel:	

Head Teacher:	
Contact Email:	
Lead Teacher:	
Contact Email:	

Why do you want to become a knowledge sharing school?
What has motivated you to apply?

What work is your school already doing in this area?
This might be digital / data / STEM related activities

Digital / Data champions
Who are the digital champions who will lead on this initiative within your school and what time commitment will they have for these activities?

School Digital / Data Champions:	Time commitment:

What other support can you provide for this initiative in your school community?
e.g. this might include additional admin support for CPD co-ordination, parent/carer and community involvement.

SECTION 2: Future plans and objectives

What future plans do you have as a school related to digital / data / STEM?

SECTION 3: Statement to Young People's Advisory Group

Please summarise your application – your strengths, plans and commitment – so that we may share it with the young person's advisory group for the programme. They will help us to select schools. The youngest members of this group will be 10 years old.
